

No.6 Saltwater Creek/ Coonor Road

Area: Timaru south/west

Time: 1 hour 10 minutes

Start on King Street beside the bridge and follow the track along the north side of the river. This a well formed, gravel track mostly on the flat. Retrace your steps to return.

* For a shorter walk, start from Mowbray Street and exit at St George Street - 10 minutes.

From St George Street to Coonor Road takes about 20 minutes.

* For a longer walk, cross to the other side of King street on your return, and follow walk no.7 to Patiti Point or walk no.8 to the Wetlands.

Features

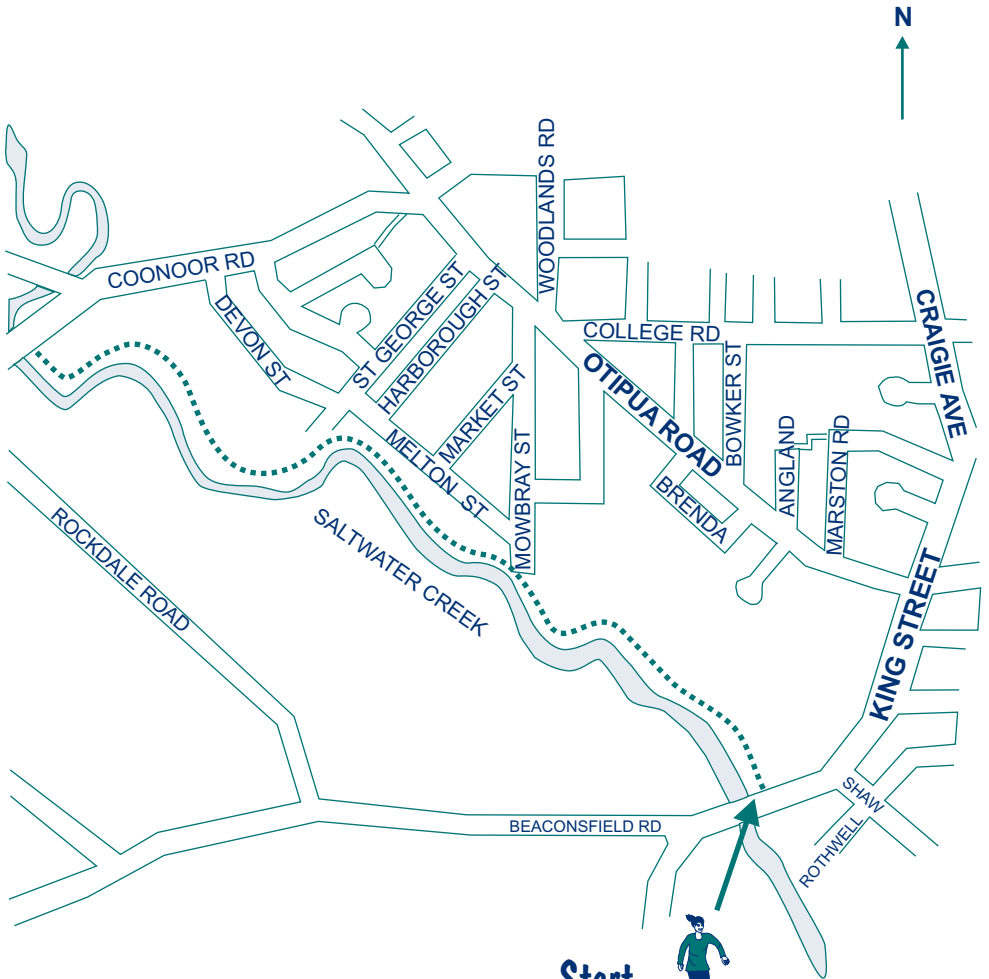

- One side of the track provides a variety of views of the stream and distant mountains.
- Farmland with a variety of animals and crops provides a rural contrast on the other side of the track.
- Extensive new native planting combines with native

regeneration and riparian planting.

- Varieties of bird life include shags, geese, ducks, pukekos, and the occasional white heron and royal spoonbill.
- At the Coonor Road end there is a picturesque, historic stone bridge.
